NATCAN Annual Report

The first annual report for the National Cancer Audit Collaborating Centre (NATCAN) is now available. [Read the report now.](#)

Find out about the progress we have made during the first year as we establish the new Centre, bringing together all 10 National Cancer Audits under one roof. Together, we aim to drive improvements in patient care and outcomes.

Audit Reporting

- ✓ [Scoping documents](#) for each audit published in November 2023.
- ✓ National audits in [prostate](#) and [OG cancer](#) published their first State of the Nation Reports in January 2024.
- ✓ National Audit in Bowel Cancer will publish their State of the Nation Report in February 2024.
- ✓ New audits in kidney, metastatic breast, non-Hodgkin lymphoma, ovarian, pancreatic and primary breast cancer to publish quarterly reports in April 2024 and State of the Nation reports in September 2024.

Cancer Outcomes and Services Data set (COSD)

For each new NATCAN audit, [we highlight important data from the Cancer Outcomes Services Dataset \(COSD\) specific to the different cancer sites.](#)

Hospitals can now easily check that these key data items are completed and submitted to the National Disease Registration Service (NDRS).

NDRS - COSD Roadshows 2024

We are delighted to be participating in NDRS - COSD & Cancer Data Roadshows taking place across England throughout January and February 2024.

Our presentations for these events will be published on the [NATCAN Website](#) and [COSD event page](#).
